YOU DRIVE. WE CARE.
Al Zarouni
AUTO

**carwoX
team assures
genuine repairs
for your cars.**

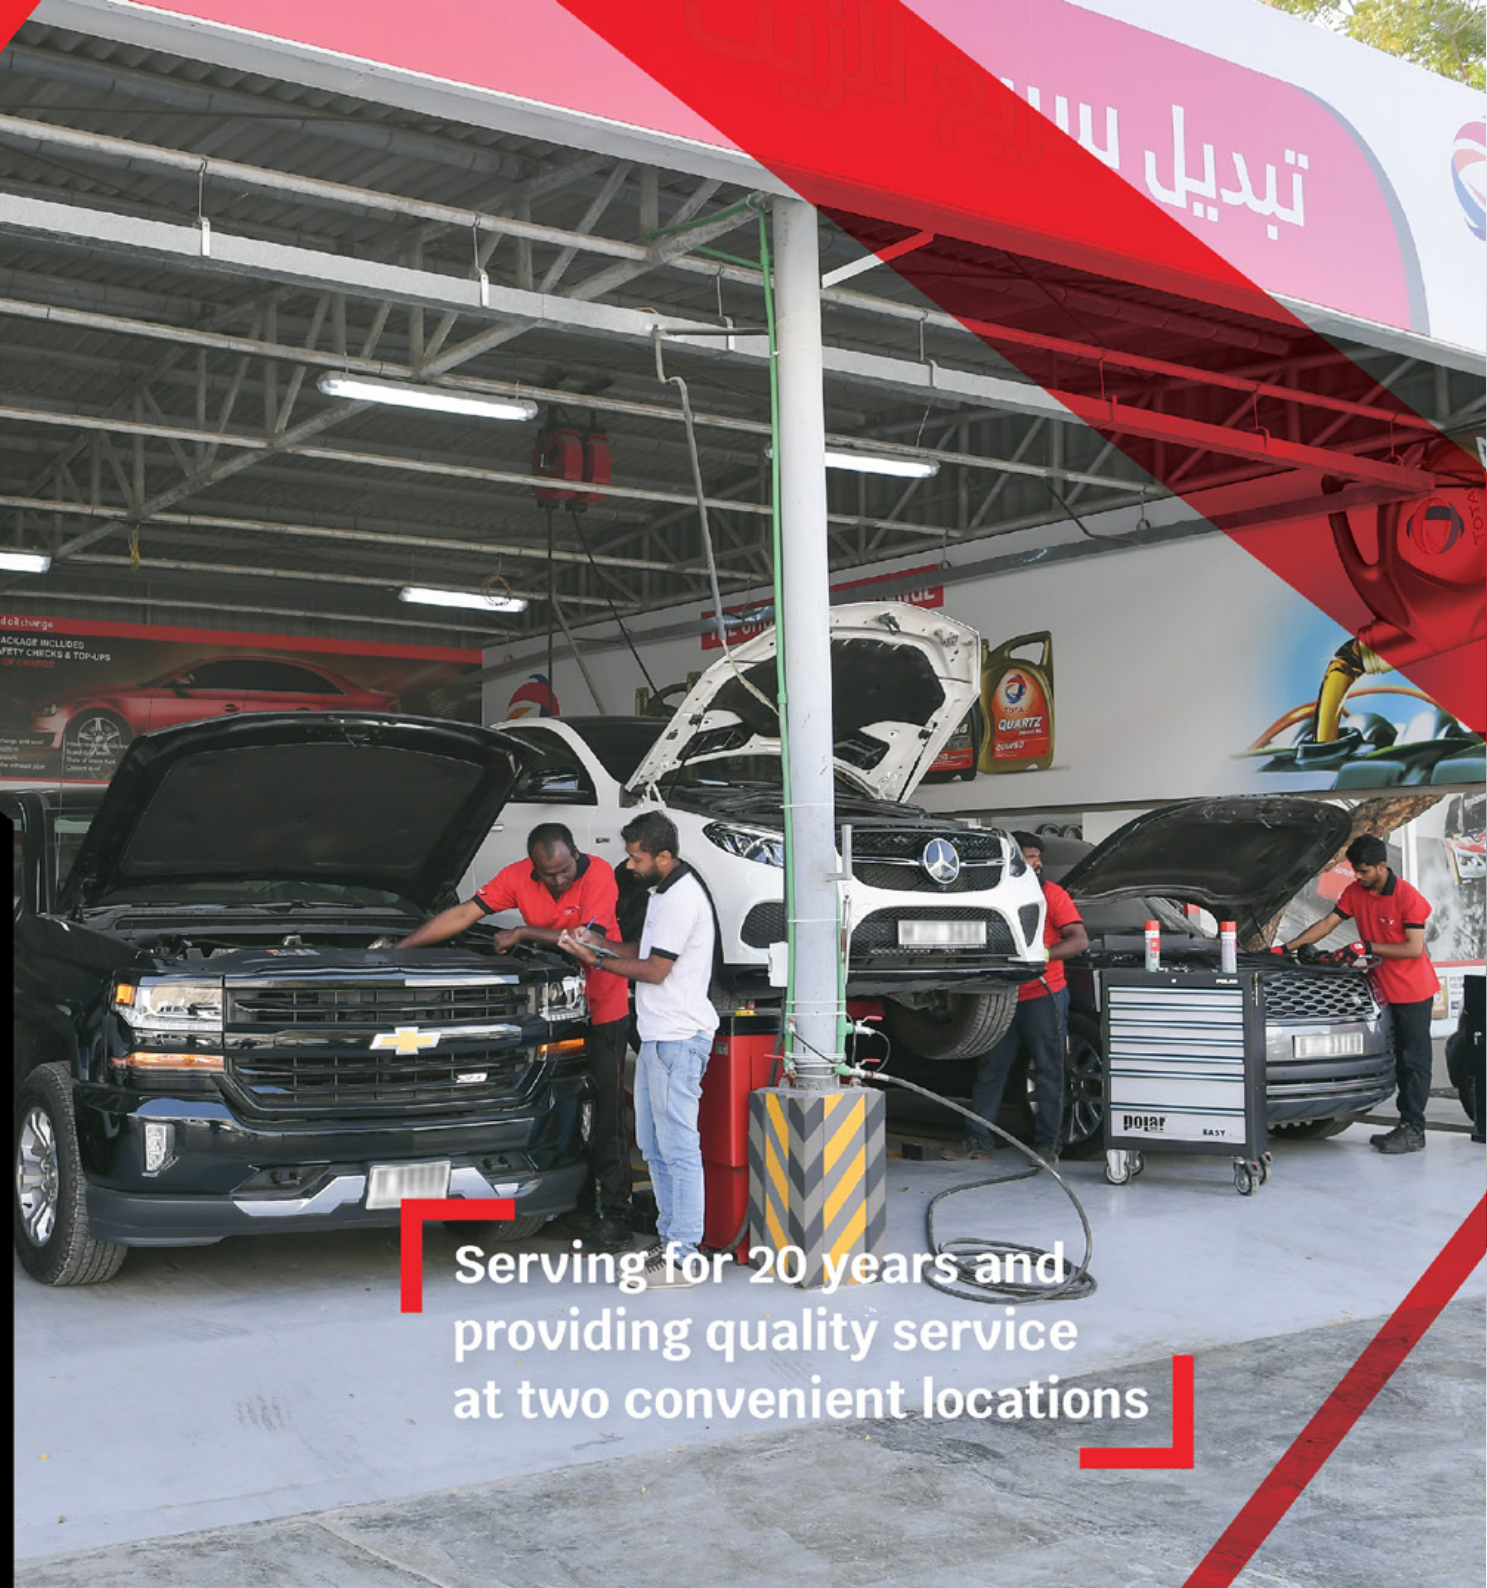

Our mission leads our vision and is our impetus to deliver our services to you with reliability.

We have ample space of 36,000 sq. ft. of work floor to accommodate maximum work bays and thus speed up the repairs. Through the past 20 successful years, carwoX (Al Zarouni, Dubai) auto services has gained the trust of thousands of satisfied individual and corporate customers by providing them with quality services within the schedule time.

We assure that our technically qualified, trained, and experienced team can render prompt and top quality service to our valued clients. carwoX was established in 1999, with the first outlet at Ras Al Khor O1, Dubai. The second outlet (CIG Automotive Services) is in another prime location close to New Dubai in Al Asayel Street, Al Qouz.

We provide maintenance and repairs for premium class & new generation luxury cars and 4x4s. We are specialized in chassis & body frame repair with high quality painting and also offer precise repairs of electronically controlled systems.

**Serving for 20 years and
providing quality service
at two convenient locations**

Vision

We at carwoX, envision prompt services to our customers along with the confidence of safety and quality with the objective of gaining their trust. It's our passion to troubleshoot complicated mechanical/ electronic faults in cars and repair them by using updated computerized diagnostic tools and electronic repair manuals.
