Mission

- Growth
- Creditable Integrity
- Quality Assurance
- Effective Team Work

Our Partners

Products We Carry

MILWAUKEE VALVE

SERVICES

- Fabrication
- Load Testing
- Hydraulic | Pneumatic
- Filtration | Flushing
- Onsite | On-board Installation
- Survey & Recertification of Hydraulic System
- Bunkering
- Integrated solutions for onshore & offshore oil & gas industry

INTEGRATED SOLUTIONS FOR ONSHORE & OFFSHORE OIL & GAS INDUSTRY

- BOP Control Unit (KOOMEY UNIT)
- Crown Block
- Travelling Block & TOPDRIVE
- Swivel
- Deadline Anchor
- Shale Shakers
- Mud Pumps
- Engines
- Hydraulic Cylinder / Jacks
- Hydraulic Power Pack
- Winches
- Mud System
- Cementing Units
- Truck Mounted Pumping Units
- Batch Mixtures / HT-400 Pumps
- Choke Panel & High-Pressure Test Pumps
- Valves
- Centrifugal Pumps
- Choke Manifold
- Equipment modifications & upgrades (Specialists in HPU & Koomey Units)
- Overhaul services & testing
- Installation, commissioning & maintenance
- Spare part supply, both new & refurbished
- Retrofitting, Revamp & Modification
- Repair, Refurbishment and Replacement
- Land and offshore drilling rig rotary equipment inspection and overhaul.
- Engineering and fabrication of structural and piping packages related with Land and off-shore drilling rigs.
- Project Management
- Mud system & Land camp construction and refurbishment
- Non-destructive testing a Inspection services
- Calibration services

BOP CONTROL UNIT & CHOKE MANIFOLD

HYDRAULICS & PUMP ENGINEERING

HYDRAULICS

- System Design
- System Integration
- System installation
- Piping and commissioning
- System Troubleshooting
- Hire of Hydraulic power units
- Component Sourcing & Supply
- Component Testing & Repair
- System Flushing (Experts in Aviation Fuel – AVCAT)
- Cleanliness and Contamination Control
- Hydraulic Training

PUMP ENGINEERING

- Skid mounted diesel engine or electric motor driven centrifugal pumps units ranging from 50 cubic mtrs to 3000 cubic mtrs/Hr
- De-watering Volume filling
- Pressure testing and Pipeline flushing
- Pipeline flushing of water
- Chemical circulation
- Pressure testing
- Skid mounted diesel or electric motor driven High Pressure and Ultra High-Pressure Hydro jet pump units from 500 bars to 40,000 bars for sale and Hire

HYDRAULIC SERVICES

Projects Completed

PIPE SPOOLS

PAINT SHOP TROLLEYS

Projects Completed

CONTAINER MODIFIED

PIPE RACKS FABRICATED & INSTALLATION

Fabrication & Services

ROTARY CHAIN VISE TROLLEY

ACID COATING

BENCH VISE

Major Clientele

CERTIFICATIONS

- INTERNATIONAL ORGANIZATION FOR STANDARDIZATION 
- INTERNATIONAL ASSOCIATION OF DRILLING CONTRACTORS 
- QUALITY REGISTRAR SYSTEMS
